Elsevier is a global information analytics business that helps institutions and professionals advance healthcare, open science and improve performance for the benefit of humanity. We help researchers make new discoveries, collaborate with their colleagues, and give them the knowledge they need to find funding. We help governments and universities evaluate and improve their research strategies. We help doctors save lives, providing insight for physicians to find the right clinical answers, and we support nurses and other healthcare professionals throughout their careers.

Elsevier provides digital solutions and tools in the areas of strategic research management, R&D performance, clinical decision support, and professional education; including **ScienceDirect**, **Scopus**, **SciVal**, **ClinicalKey** and **Sherpath**. Elsevier publishes over 2,500 digitized journals, including *The Lancet* and *Cell*, 38,000 e-book titles and many iconic reference works, including *Gray's Anatomy*.

Elsevier is part of RELX Group, a global provider of information and analytics for professionals and business customers across industries. www.elsevier.com
